Privates

Private lessons are geared for those beginner swimmers that need or want that one-to-one interaction with the instructor. The objective of this class is to help students feel comfortable in the water and enjoy the water safely. Students will learn to swim on their front and back, using any type of arm or leg action, and will gain ability for supported exploration at least 5 feet from the wall. Swim diapers must be worn by children who are not toilet trained. There is no skill prerequisite for this course.
